
DIVISION TWO

McKeachie Endows Early Career Teaching Award. Wilbert J. McKeachie donated approximately \$7,000 to the Fund for Excellence in the Teaching of Psychology. The Board of the Fund recommended that the income from this gift be awarded annually to a graduate student. The Executive Committee of Division Two agreed that this award should be named the McKeachie Early Career Teaching Award. The Division will thank Bill for his gift and will honor the recipients of all awards for teaching excellence at the Division Two Social Hour at the annual convention of the American Psychological Association in Los Angeles this August.

A Challenge to Match the McKeachie Donation. The Fund for Excellence needs the support of all members, affiliates, and friends of Division Two. Six years ago, the

Division set a goal for an endowment of \$50,000. To date, we have accumulated about two thirds of that goal. Several individuals have donated quite generously, but fewer than 10% of our members have contributed to the Fund.

Consequently, the Division is issuing a challenge to all of our readers to help match Bill McKeachie's \$7,000 gift. If 15% of our members and affiliates each contributed \$25, the total would actually exceed \$7,000. Please consider giving for the first time or making another gift if you have donated in the past. Gifts are tax deductible to the extent allowed by law. The Fund is an IRC Section 501(c) 3 organization.

Make checks payable to the Fund for Excellence and send to James H. Korn, Department of Psychology, St. Louis University, 221 North Grand Boulevard, St. Louis, MO 63103.
